

Fingerprinting Services

The Miami Springs Police Department offers fingerprinting for local residents and business owners only.

Requirements:

- Person must bring a fingerprint card, which should be supplied by the agency or company requiring fingerprints.
- Person must show an official ID such as a Florida driver's license or U.S. passport and proof of residency, usually in the form of a utility bill.
- Business owners must show documents to prove ownership.

An appointment can be made by phone or walk-ins will be accepted on Tuesday, Wednesday and Thursday from noon – 1:30 p.m. and on Friday from noon – 2 p.m. The fingerprint department is closed during city-observed holidays.
